---

APRIL 17.

MR. FRANK J. KEELEY in the Chair.

Seventy persons present.

The Publication Committee reported the reception of papers under the following titles:

"Description of a new Australian Glycymeris," by Henry A. Pilsbry (April 10).

"A Monograph of the Genus Collocalia," by Harry C. Oberholser (April 12).

"On Hawaiian Species of Sphyradium," by Henry A. Pilsbry and C. M. Cooke, Jr.

MR. GEORGE VAUX, JR., exhibited a number of beautiful lantern illustrations before the reading of a paper by WILLIAM S. VAUX, JR., giving the results of recent studies of glaciers of the Canadian Rockies and the Selkirks, in continuation of a series of observations extending over a period of eight years. The paper will be published later.

Messrs. Ogilby Paul and Norton Downs, M.D., were elected members.

The following were ordered to be printed:
